P&C FEDERATION UPDATE

FULL FUNDING MATTERS:

An initiative from the NSW P&C federation. Nicho has the opportunity to support this.

Increasing funding to public schools is one of our top advocacy priorities for 2024. We are strongly committed to championing a commitment from NSW and Federal governments to meet the full School Resourcing Standard (SRS) for our public schools.

Following the Gonski Report over ten years ago the School Resourcing Standard was established to benchmark the funding level required for 80% of students to achieve minimum reading and arithmetic standards. Currently 98% of public schools do not receive their full funding entitlement under this standard. This impacts thousands of students every year and cannot be allowed to continue.

Full funding means

- New and upgraded facilities and technology
- More teachers and smaller class sizes
- Intensive support and assistance for children with additional needs
- Programs for students falling behind to help them to succeed
- Improved student wellbeing with more resources
- One on one support for students

To the Nicholson Street Community

I write to notify you that Sue Ross has relinquished her position as principal of Nicholson Street Public School as she moves into retirement. I will now wait to hear from the department's Executive Staffing team for the position to be released to me so that recruitment can commence.

I will keep the community updated on this process. In the interim, Lucy Norrish will continue to relieve in the role.

I take this opportunity to thank Sue for her long service to public education and wish her well in this new phase of her life.

I will provide an update to the community prior to recruitment commencing.
